**September :**

**6th** **Richard Grainger**

He's a 'Tees-side & Yorkshire' born singer / guitarist living on the North - East Coast of England.

His extensive repertoire addresses much of folk-life from the Yorkshire Coast and Moors to industrial Teesside and beyond, both past and present. There are songs with an industrial and maritime theme, songs of the environment and much more.

**13th** **Singers & Musicians Night**

**20th** **Clive Cleverley**

Clive is an award winning songwriter and guitarist.

His unique brand of contemporary folk contrasts the calming, pastoral influence of a childhood spent roaming the foothills of the Brecon Beacons and Cornish coastlines with the anxious frenzy of an urban mind shaped by 29 years in the UK's second city.

He is noted for his intricate fingerstyle guitar and banjo work, for which he is fast gaining the accolade of being among the most masterful players on the scene.

**27th** **Singers & Musicians Night**
