**2<sup>nd</sup> Jez Lowe**

Jez must be the premier singer / songwriter in the UK. He seems to have been on the scene for ever either as a soloist or with his group 'The Bad Pennies'. As BBC Radio DJ Mike Harding said recently, 'No-one else writes or sounds like Jez Lowe', and chances are, even if you've never heard the man himself, you'll have heard his songs, sung at festivals, club-gigs, open-mikes or on CD. What higher accolade could songwriter hope for?

**9<sup>th</sup> Singers & Musicians Night**

**16<sup>th</sup> Singers & Musicians Night**

**23<sup>rd</sup> Kelter**

Kelter is world music duo Davey Slater (guitar) and Graham Knibbs (fiddle). Although a relatively new name on the folk scene, Kelter is firmly seated as a well accomplished couple within the musical world. With their all-encompassing genres, they cover and perform an exciting combination of "World Music" ranging from; Renaissance, Baroque, Classical, Spanish, Gypsy, Swing, Jazz and Celtic.

**30<sup>th</sup> Singers & Musicians Night**

**June:**

**6<sup>th</sup> Mandy Woods**

Mandy is a singer / songwriter. She grew up near Oxford, England, but spent a decade in Austin, Texas. A seasoned writer and performer in Europe and America, Mandy Woods has spent most of her adult life crafting songs. Many of them telling stories - about the ups and downs of relationships, about her own and other people's struggles and quests, and about the myriad other twists of fate that have inspired her imagination.
