30th

Tom Cole

Steeped in the traditions of American folk, country, gospel and blues, Tom's is an Americana style of Alt Country meets Greenwich Village Folk Revival.

Hailing from Hastings on the South Coast of England, Tom crafts heartfelt songs from everyday life, with a softly understated vocal style underpinned by a mix of Merle Travis style fingerpicking and country flatpicking."

Singers nights at the Orpington Folk Club are an opportunity for singers and musicians to get together to perform their songs and or tunes to an audience.

Traditional, contemporary and blues music can all be heard on any one night. The Social Club is an excellent space to play in and the bar prices are so reasonable.

Residents : Anne... Ted... Mike... Keith...
